

1. K-LOVE is the only station I listen to. I am uplifted and encouraged daily. On numerous occasions I have been helped by the truth spoken here.
2. K-LOVE is the only Christian music station in my area. It serves as a voice of love, encouragement and truth in an otherwise degrading and demoralizing culture.
3. K-LOVE prays for my particular area daily and for individuals as well. It is important that the word of God be spoken in a format that is available to all. Our society is in a steep decline regarding family, morals and ethics. K-LOVE serves the public through music to remind us who we are.

Thank you for NOT jeopardizing the service this wonderful station provides.
